Kia ora Linton Camp School Community

Leadership

I take great joy in announcing the appointment of our 2022 School leaders. These students have been chosen as a result of their reputation, their personal drive for excellence, their heart for student wellbeing and learning success and their willingness to put the effort in to make a difference at our school.

Head boy:	**Rian Gerling**	
Head girl:	**Alyssa Smit**	
House leaders:	**Mika Human**	*(Tangaroa)*
	Taika Reid	*(Ruaumoko)*
	Tyler Atkins	*(Tane Mahuta)*
	Blake Johnston	*(Tawhirimatea)*

Linton Camp School values the development of leadership qualities and experiences as an investment for the future of our community and nation. As these students present our leadership role-models for the school, this inspires all our students to recognise their potential to be leaders in their own right as well. We are thrilled to see Year 6 students already taking opportunities as young leaders this week, supporting positive activity in our playground and teacher aides in their 'minding' of student with specific needs.

Hauora

Our school has resolved to deepen our commitment to student wellbeing, social development and values. It says a lot about our school, its expectations and values, when we can highlight the outstanding example our students have already set this year. Whether it is on the bus to Technology or collaborating in a STEM collaboration event or working with a relief teacher, I have taken pride in receiving recent complements about our students' conduct and politeness.

Every parent desires to see their child aspire to the highest standards of citizenship. Essential learning about how I treat myself and others, how I reflect values, how I respond in difficult situations and how I focus on excellence all lead towards reaching these aspirations. It doesn't happen automatically - it takes specific teaching, modelling, encouragement and acknowledgement - both within families and in partnership with school personnel. With a united and consistent front, our children have every chance of success.

Teacher Only Day - End of Term 1 - 14 April

We are hold our next Teacher Only Day on Thursday 14 April so school will be closed on this day.

Term 1 finishes on Friday 15 April but as this is Easter Friday school is closed.

This makes the **last day of school for this term Wednesday 13 April.**

Term 2 will begin on Monday 2 May.

We are holding our ANZAC Commemoration service, on **Wednesday 13 April at 2.00pm.**

Unfortunately we will still need to limit numbers of attendees due to COVID-19 restrictions, so may not be able to open this to whanau.

We will keep you updated about this as soon as we can.

Firewood

We still have a trailer or two of wood available for sale by koha.

See Lisa in the office if you are interested in the last of this firewood and to arrange payment of the koha.

Juicies for Sales

The Senior Team are selling Juicies to raise money for materials to make poi for our Kapahaka roopu.

The juices will be sold on **Monday**, **Wednesday** and **Fridays** for

Only $1 each.

Bring your $1 to Te Whare Tapere in the morning & we will distribute the juices at 12.30pm.

School Photo Day 13 May 2022

Photolife will be visiting us on 13 May - next term - to take school photos of all students.

This will be class photos and individual photos.

This year all ordering will be done only using Photolife's online system.

How does this work? A pamphlet will be sent home before the end of term explaining this but basically on photo day your child will have their portrait photo taken.

Then you will receive a Photo Keycode so you can access the photo's online and make your purchase.

So you will get to see what you are buying before you buy rather than pay and hope that your child smiled.

There is still the opportunity to have Sibling Photos.

Is Your Child Unwell?

It is that time of year when there are a lot of bugs, colds and hay fever going around. And unfortunately this week we have had a lot of children come to school who were not really up to a day of learning.

I would like to remind you that any child who is unwell must stay at home.
This is not just about spreading germs but your child will not learn if they are feeling unwell. It is a long hard day if they have a headache or are struggling to breathe.

If your child is unwell you **will** be called and asked to take them home.

This week, we sent out a 'request for the school donation' in the form of an emailed 'invoice'.

We ask for $75.00 for one child and $100.00 for a family of 2 or more children attending Linton Camp School.

We would like to take this opportunity to remind you that this is a donation; Linton Camp School does not charge school fees.

We use the school donation to purchase resources that are not covered by the Ministry of Education funding.

In previous years we have used the donation to

- Upgrade the drinking fountains
- Purchase the basketball/netball posts
- Purchase iPads for class use

We appreciate families are in financial stress at the moment and do greatly appreciate every donation we receive big or small.

We would also like to remind families that you are able to make regular small payments into the school bank account which will be allocated to your child's account, then use this money pay for future school expenses or the school donation.

If you wish to make payments into the school bank account and need the account number please contact Lisa in the school office.

Thank you to all the families who have already paid the school donation. We greatly appreciate your donation.
