#### Welcome to the 2023 school

**year.** For those of you joining us for the first time - welcome, it's great having your family with us. To those of you who are returning, thanks for being a part of our school whanau. 2023 promises to be another action packed year.

At yesterday's powhiri I talked to everyone about what was the most important thing here at Linton Camp School. Quite naturally, the most important thing is learning. It's our 'main thing' and in 2023 we want our 'main thing' to always be our 'main thing'.

Please continue to support your children with their learning. The teachers and I thank you in anticipation for all your help and support.

Whanau are always welcome at Linton Camp School. If there are things you are not sure of, questions you want answers to or your child has worries or concerns please contact their teacher. You can come in for a meeting at any time. However, these meetings are often most effective when they are organised in advance. That way the teacher can have all the necessary information ready for you.

In my opinion, educating your children requires a team effort between home and school. You do your bit and we do ours. The more we work together the better the outcomes are going to be for tamariki.

Wishing you and your family an educationally rich year.

## Lost Clothing & Shoes

The only way to reduce the amount of your children's clothing shoes or personal items is to label them with your child's name.

If an item is named it will be returned to your child should it be picked up around the school or if it ends up in lost property. Or can be identified if their is disputed ownership.

It surprises us when we look at a jersey or hat and it had the name of a past student but a current student says it is theirs and it is named, how should we know who to return it to?

Please put you child's name on all items of clothing that are likely to be removed - hats, jersey's shoes, socks... and with swimming add their name to their shorts & shirts too.

It only takes a vidd or you can go on line to order iron on name tags. If you need help with this at all please come see Lisa at the school office, she is happy to help.

## School Swimming

Students will be going into the Camp Pool for swimming lessons once a week **starting next week.**

The **senior school** will be swimming **Tuesdays** and **junior school** will be swimming on **Wednesdays.**

Please remember to send your child's togs & a towel in a water proof bag on their swimming day.

All children must wear school shoes and hat to walk to the pools so also please **check your child has shoes & their hat.**

## School Camp -
