

# School Newsletter

## Thursday 10 March 2022

Nau mai, Haere mai, **Eva and Leighton Jackson, Zachary Lawrie** and their whanau, we trust you will enjoy your time in our community.

**LINTON CAMP**  
SCHOOL

[lintoncamp.school.nz](http://lintoncamp.school.nz)

**Kia ora koutou,**

### Survive and Thrive

This week teachers and students have celebrated ball skills activities with the focus on getting to know students across the school and building relationships beyond respective classrooms.

What we noticed:

- Students are enthusiastic about team sports and the range of games we can experience.
- Students are proud when they experience success, both in learning and in their relationships with other students and their teachers.
- Students feel secure when their risk-taking is encouraged and recognised by their peers and teacher.

Linton Camp School makes no apology for our high expectations for student participation, conduct and effort. Whether it is our learning tasks, our uniform, our nutrition, or our physical exercise, children thrive when they are actively responsible for meeting these expectations. This week's activities have certainly helped children model these expectations and the results have made us very proud! We are now six weeks into the year. The tone has been set!

### Hui Tuatahi

There has been chatter all week about the discoveries teachers have made in meeting parents and exploring the interests and strengths of the students in their classroom.

**Thank you to everyone who has attended their Hui Tuatahi session with their child's teacher.**

There's already discussion about plans to cater for these amazing talents and interests. If you haven't had a chance to meet, we haven't forgotten you! Contact us and we'll gladly work a time for this valuable event that is convenient for you and your child.

### Community Needs

There's no doubt that families are wrestling with a range of factors impacting their day to day routines and general wellbeing. Where anxiety and stress increases, students' ability to confidently take on learning challenges diminishes.

Linton Camp School values the partnership we have with parents in support of children's learning success. If there is any way the school can assist in helping to relieve any pressures families might be experiencing, then please contact the school and we'll see what we can work out together to help.

Ngā manaakitanga,

**Nigel Tonga**

*Acting Principal*

## Our Linton Camp School Values

**Maruwehi** - Respect

**Whakahi** - Pride

**Whanaungatanga** - Relationships

**Manawaroa** - Resilience

## Hui Tuatahi

The first of our parent/teacher meetings.

**Thank you to all the parents who made time to meet with their child's teacher at this week's hui.**

It is a very important that you are part of your child's educational journey and that your child knows;

- We all care and are interested in them.
- Home and school are sharing news & problems.
- We are all interested in their goals and achievements.
- We will all work together.
- We are all going to celebrate their achievements.

If you were unable to make this week's hui, please contact your child's teacher to arrange another time that suits both you and your teacher. Our teachers are very willing to meet with you virtually if that makes it easier.

We want to meet with every child's whanau and teachers will be following up on this.

## Is Your Child Unwell?

It is that time of year when there are a lot of bugs, colds and hay fever going around. And unfortunately this week we have had a lot of children come to school who were not really up to a day of learning.

I would like to remind you that any child who is unwell must stay at home.

This is not just about spreading germs but your child will not learn if they are feeling unwell. It is a long hard day if they have a headache or are struggling to breathe.

**If your child is unwell you will be called and asked to take them home.**

### Juicies for Sales

The Senior Team are selling Juicies to raise money for materials to make poi for our Kapahaka roopu.

The juices will be sold on **Monday, Wednesday** and **Fridays** for

**Only \$1 each.**

Bring your \$1 to Te Whare Tapere in the morning & we will distribute the juices at 12.30pm.

### Linton Legends for Week 5

<u>Manuka:</u>	<b>Ptolemy Lindsay</b>
