Learning Conversations

Over the last month, while we have been in lockdown, you have observed and supported your children while they have been learning by distance. Thank you for everything you did to help them. I know being a teacher wasn't easy for some of you.

Over this time I am sure you have noticed a few things about your children as learners, as well as about their learning. It may be that the things you have noticed have raised questions or concerns or matters that you are curious about.

If this sounds like you, I would encourage you to contact your child's teacher, set up a time and have a chat with them. Tell them what you noticed. Ask them what you can do to help at home and ask them to explain what they will do in class.

I have long promoted the view that learning is a partnership between home and school. You notice things and teachers notice things. Sharing information should lead to better learning outcomes for your children.

Situation Vacant - Holiday Programme Coordinator

We are looking for a person to take over the role of Holiday Programme Coordinator (HPC) at Linton Camp School.

The HPC is responsible for organising and operating our holiday programme, which runs for eight weeks each year in the school holidays. The programme is based at Linton Camp School.

Please refer to the HPC Job Descriptions for further details of the duties of the HPC. Further details and information on how to apply can be found on our school website - <https://www.lintoncamp.school.nz/relieving-vacancies>

If you require any further information, please contact Linton Camp School's Principal - Geoff Franks - principal@lintoncamp.school.nz

Nau mai, Haere mai, **Amaria Roberts, Ptolemy Lindsay, Kyla Rangitaku, Tiare Paniora-Araia, Esala Hall-Viqasi** and their whanau, we trust you will enjoy your time in our community.

Production

Sadly, the 2021 production has been cancelled. While we probably could have secured the Spiers Centre for a date in Term Four, we were very aware that large groups are not allowed to gather under various alert levels. It wasn't clear when we made the decision and it isn't clear even today if we would be in a low enough alert level for production to go ahead. As you can imagine it would be terrible to have done all the work necessary for the production and then not have been able to perform. In the end it was more prudent to cancel. We will have another go in 2023.

Nga mihi nui

Please take time during the school holidays to source an appropriate school hat for your children as they will need to wear it from day 1 term 4 or sit in the shade at playtime.

1st prize winner - Jono Douglas and 2nd prize Sherylynne Linton.

Both are parents of ex-students and were more than happy to support our students and the school that did so much for their children.

Holiday Programmes Cancelled

There will be no holiday programme these school holidays. We have been unable to employ anyone to be the programme leader. No one applied or indeed even enquired about the role. Additionally, lockdown has delayed preparation and has made getting ready more complex.

We continue to advertise for a programme leader and expect to have programmes up and running for the end of January 2022.

If you or someone you know might be interested in the position please direct them to our website www.lintoncamp.school.nz (look under the school information tab for vacancies) or ask them to contact me - principal@lintoncamp.school.nz for more information.

I regret that we are unable to offer programmes these holidays but without a leader it is not viable to go ahead.
