

School Newsletter

Thursday 7 April 2022

Nau mai, Haere mai **Beau Redshaw-King** and his whanau, we trust you will enjoy your time in our community.

Dear Linton Camp School community

Remarkably we are nearing the end of term 1, and we can be satisfied that we have managed the various health issues over the term and minimised the impact on the large proportion of the school students and staff (compared with the bulk of primary and secondary schools in the Manawatu region).

Achievements

We take pride in the achievements of students this term, particularly in representative activities. Congratulations to **Issac Murray, Rian Gerling, Giavanna Hodgson, Alexander De Vries, Blake Johnston and Alyssa Smit** for the awards they received from our recent cluster swimming event. They and our other competitors did our school proud in the way they conducted themselves in and out of the pool. We also congratulate **Sandi Pemberton** who organised the event for the cluster in such a proficient manner!

Values

We have a large proportion of our senior school who have consistently demonstrated their values through strong conduct and effort in class work. These students are being celebrated with a free swim session on Tuesday afternoon next week. Well deserved, and a really exciting aspect to celebrate at this early point in the year!

Keeping ourselves safe

As part of our Health curriculum Senior Students investigated and learn the extent of actions, options and **responsibilities they hold in keeping themselves safe**. This term we have considered

these in the context of natural disasters, cycle safety, and personal safety online and with family

relationships. There have been some really insightful discussions, demonstrations of skills and growth in confidence in managing situations that are sometimes challenging to negotiate.

Farewells

At the end of this term we farewell **Lucy Brown**, teacher aide, who has supported students in Totara class through their transition to a new school. She is also a Hurricane women's rugby team member, which has been a great point of connection for the students in Totara.

We also farewell **Anna James**. Anna has been a staff member at the school for ten years, though mostly in a part-time capacity as she has conveniently filled various teaching roles, mostly as the release teacher for the deputy principal. Anna definitely leaves her mark as a coordinator of sports events, a passionate maths teacher, a clever problem-solver and as a big-hearted teacher who has established strong relationships with many of the families and army personnel. Anna is taking up a specialist PE teaching position at Turitea School beginning next term. Though we will miss her input terribly, we know that she is just a phone call away! We wish her all the best for her exciting new role.

We wish all our families a restful school break. We'll see you when term 2 starts on the 2nd May.

Nigel Tongs
Acting Principal

Our Linton Camp School Values

Maruwehi - Respect
Whakahi - Pride

Whanaungatanga - Relationships
Manawaroa - Resilience

ANZAC Commemorations

On the front lawn of the school you will find our own (small) **Field of Remembrance**.

Mr Tongs has been add one white cross each day to commemorate the men and women who died for New Zealand. Each cross bares the name of a local soldier or nurse who lost their life in World War 1.

Each class has started their study of ANZAC, learning about ANZAC the conflicts and the meaning of the poppy, crosses, etc... They are also making wreaths to be laid at our ANZAC service.

We will be holding our ANZAC Commemoration service, on Wednesday 13 April.

Unfortunately need to limit numbers of attendees due to COVID-19 restrictions, so are unable to open this to whanau.

Please talk to you child about the event and what this means to them, on Wednesday afternoon.

School Uniform in Term 2-3

Term 2 is time to wear the Winter School Uniform; School hats do not need to be worn.

Sandals are swapped for black school shoes worn with navy blue socks or tights - NO sandals, sneakers or canvas shoes please.

Long sleeve red polo shirts (with school logo) are an option. Along with **long navy blue drill pants** for both girls and boys - not track pants please.

When it gets colder it is ok to wear thermals under the shirts but we do not want to see them. So no long sleeve thermals under a short sleeve uniform top please.

School Closed Thursday 14 April and Friday 15 April

We are hold our next Teacher Only Day on Thursday 14 April so school will be closed on this day.

Term 1 finishes on Friday 15 April but as this is Easter Friday school is closed.

This makes the **last day of school for this term Wednesday 13 April**.

The Senior School Construction Project....

Well that is what Mr Tongs is calling Poi Making!

The senior school are learning how to make Poi. The first stage is learning how to four plait.

This has been a challenge for some, others are really enjoying the challenge or are naturals.

The next step will be constructed the poi then learning how to use them while singing.

We are using the poi in our performance at the Cluster Kapahaka Festival later in the year.

As we have such success from the Juicie sales we are able to purchase enough materials for each student to make their own pair of practise poi and we will also be making a complete set of performance poi that will stay in the school for future kapahaka performances.

Thank you for supporting the juicie sales. We will continue to sell juices next **Monday and Wednesday**.

Manuka: Mohi Wild
Rata: Hayden Tiller
Kowhai: Lily Hobson
Miro: Serena Reeves
 Lucan Lowery
Kauri: Elias Cooper
Matai: Malan Human
Totara: Alyssa Smit

School Photo Day 13 May 2022

Photolife will be visiting us on 13 May - next term - to take school photos of all students.

How does this work? A pamphlet will be sent home before the end of term explaining this but basically on photo day your child will have their portrait photo taken.

Linton Camp School Holiday Programme 19 April to 29 April

We are once again running a holiday programme to help families during the upcoming holiday break.

Fees are as little as \$45 per day per child this includes one excursion day per week at no extra cost.

To register your child/ren into the programme please visit the online registrations site via the address below:
