

Meet your Board of Trustees;

Kia ora

My name is **Warrick Price**, and I am the Deputy Principal of Linton Camp School as well as the Staff Trustee for the Board of Trustees. I'm proud to have been elected as the Staff Trustee as I'm passionate about providing effective governance to ensure Linton Camp School can deliver education of the highest standard.

My role as the Staff Trustee is to represent the overall interests of Linton Camp School. I'm not a delegate for staff, although as a member of the teaching team I will be providing some representation for the issues that affect the staff.

Listening to the views of the community and robustly debating issues will ensure that Linton Camp School continues to move in a positive direction. I welcome your input so please feel free to approach me or any other Board of Trustees member to voice your opinion or provide ideas for our school.

I wish you and your whanau and happy and successful year.

Regards

Warrick Price
