### **School Uniform**

Earlier this year the Board of Trustees asked parents for some feedback about our uniform. Thanks to all of you who took the time to share with us your views. They were carefully read and considered. We will shortly be writing to each family with some follow up information as well as wanting to hear your views on our plans.

In the meantime, I need every family to be mindful of how your children wear their uniform. At the moment I see a lot of white socks being worn - and other coloured socks as well. I see non-black shoes being worn by some students. I see non-uniform tops being worn instead of polar fleeces.

Nau mai, Haere mai, **Ptolemy Lindsay, Esala Hall-Viqasi** and their whanau, we trust you will enjoy your time in our community.

Alarmingly, I also see some students not wearing anything other than their red polo shirt. In this weather I worry about children getting sick if they do not wear enough clothing, especially to and from school.

We have a great uniform. Our students look smart in it and should wear it with pride. Please help keep up our high standard by ensuring your children wear the correct uniform every day.

#### **Geoff Franks**

Principal

## **Cluster Speech Competition**

Last week the Cluster Speech Competition was held. We were represented by **Brooklyn Murphy, Sully Morris, Kiwara Patu,** and **Alyssa Smit.** 

They all did a great job, presenting their speech well.

We congratulate **Alyssa** for **winning** and **Brooklyn** for coming in **2**<sup>nd</sup> in the year 7/8 competition.

# Linton Camp School Uniform for Terms 2 & 4 (winter);

- Navy blue sweatshirt or polar fleece with school logo
- Red polo shirt with school logo
- Navy blue shorts
- School Skort (girls)
- Navy blue unisex elastic waist pants
- Navy blue socks or navy blue tights (stockings)
- Black leather school shoes

Jackets, raincoats, gloves, woolly hats etc... can be worn to school but **are not to be worn in class**. There is no specified colour or type of jacket.

Any items worn under uniform for warmth (e.g. thermal tops or leggings) **must not be visible**.

#### **Unwell Students at school;**

While it is really important that students are at school every school day, it is also vital that if unwell they remain at home to get better sooner and protect other students and staff from catching their illness.

If children are uncomfortable with coughing or a runny nose they find it difficult to concentrate and learn. So please an extra day or two does help with their full recovery.

If a child has vomiting or diahorea they must isolate at home for a full 24 hours after their last motion or event. This is to allow the bug to pass and not be spread to others.

And please don't forget to let us know your child will be absent by

- Phone 06 325 8740 and leaving a message
- The Skool Loop app
- Emailing the school office

Thank you.

School Assemblies are held every second Friday, in Te Whare Tapere starting at 2.20pm. We invite our whanau to come join us in celebrating our students' achievements. Our next assembly will now be on 3 Sept.

## **Student Led Conferences**

Thank you very much for attending the Student Led Conferences last week.

Our teachers really enjoyed meeting with parents and sharing our student's achievements with them.

If you were unable to meet with your child's teacher last week please make contact with them to arrange a time that suits you both, in the near future.

For the students of Te Pihinga, we once again apologise but Whaea Ariana appreciates your understanding and she is now feeling a lot better.

Whaea Ariana will be in contact soon to arrange a suitable time to meet with you.

Please don't forget if you have anything you wish to discuss with your child's teacher you don't have to wait for the Student Led Conferences. Whether it is a concern, a problem or a celebration you are welcome to come in to talk with your child's class teacher anytime. But It is best you email to make a suitable time and for them to have the chance to gather the information about what you want to discuss.

Music education for children 4 - 13 years
