## Friday 10 June 2022

Nau mai, Haere mai **Kobe & Luca Anderson, Zane Hunt** and their whanau, we trust you will enjoy your time in our community.

**Kia ora koutou whanau.**

### Support staff

We are immensely fortunate to have the people we have as our school staff. Parents will know this through their interactions with their child's teacher. In the background, however, are an incredible group of people who show just as much passion, commitment and skill in their efforts to support students and teachers in helping make classrooms function efficiently.

I speak of our teacher aides, administrator and caretaker. All our support staff have demonstrated their intuitive approach to their roles, so much so that it is not unusual for our community to attribute our school's efficiency solely to those who are seen at the front, while these valuable aides and administrators disappear quietly into the background. It shall not be so.

I wish to acknowledge the following people as being indomitable heroes in our relentless pursuit of leading children in their learning:

<b>Lisa Buckley</b>	Office Administrator
<b>John Norris</b>	Caretaker
<b>Lynette Blenkiron</b>	Reading Tutor
<b>Stacey Zainey</b>	Teacher Aide
<b>Wendy Varley</b>	Teacher Aide
<b>Laura Churchill</b>	Teacher Aide
<b>Ariana Mainland</b>	Teacher Aide
<b>Leana Galvin</b>	Teacher Aide
<b>Catherine Buckingham</b>	Reading Recovery Teacher

*(Catherine is a qualified teacher. She does incredible work but is often 'invisible' - something I suspect she prefers! I wish to acknowledge her contribution to the team, too)*

Without them, and their colleagues around the country, every school would face an impossible task. Let it be said: **Thank you. It is a privilege to work with you, to have you as our colleagues and our friends.**

### Linton Camp Holiday programme

Linton Camp School has operated a holiday programme. We understand the importance of having continuing activity through a holiday period in support of working parents.

Our intention is to continue! However, with Haley Flynn, our programme facilitator, anticipating the arrival of her third child, the leadership of the programme for the coming July holidays is in doubt.

We have set up the enrolment system for the coming holidays for parents to register their children, confident that we will be able to find a replacement facilitator. We will keep parents informed with any developments.

Should there be any interest from parents, or adults within our community who think they might be able to take this role, please contact the office.

### Geoff Franks

Geoff continues to recover from surgery and is making steady progress. I'm sure some funny hat Friday photos will help lighten the slow days in a hospital bed.

## Our Linton Camp School Values

**Maruwehi** - Respect  
**Whakahi** - Pride

**Whanaungatanga** - Relationships  
**Manawaroa** - Resilience

## Lost Property

We are starting to get quite a pile of Lost Property building up in Room 5.

If your child is missing a jersey or shoes please come in to school to check the Lost Property in Room 5.

While older children are capable of looking in Lost Property themselves, they rarely do.

Of course the best way to prevent lost property is for you to clearly label your child's clothing and shoes with **their name** and it will be handed back to your child if picked up.

## School Uniform;

We just want to remind you that on these cold and wet mornings it is okay for your child to **wear any jacket or raincoat to school.**

It is important that children come to school warm.

Once in class they will be directed to remove them but they can be worn when outside.

## School Cross Country - Results

We were very lucky with the weather last week. We had a perfect day to hold our Cross Country. Thank you to the many parents and whanau who came along to watch, support or to help make the event the truly fun & successful event it was.

We do apologise for the problem some had accessing the event through the back gate, we have learnt from this and will be doing things different next time to support whanau to come along.

**Hi families,**

I wanted to take the opportunity to thank you all for your assistance with the **Cluster Cross Country** transport and supervision today. Special thanks to Dave and Jay who took on extra responsibilities caring for gear and marshalling on behalf of the school.

We were really fortunate with the weather, and I was really proud of the students, effort and their conduct at the event. They were positive and determined.

**Well done, all.**  
Kind regards

### Hi all you lovely people at Linton Camp School!

Where did those 4 days go?! WAY WAY too short when **you're around such awesome company** - I could easily stay for the rest of the term - it is just the best being at your amazing school, and has given me lots of super memories.

The response of the students was overwhelming as always, giving me so much positive energy to feed off - I really appreciated how friendly and welcoming they are, along with their honest responses. As for you awesome specimens, I really do feel like I'm at home when I'm around you all - it has been so wonderful to share in your stories and catch-up - one of the best parts of my job.

It goes without saying that I would come back whenever you would have me - take care, have a brilliant cross country and a stunning rest of the term!

Warmest wishes  
Tim.
